

Recasans is 100 percent woven acrylic. Recasans dries fast, cleans easily and offers unprecedented protection from the sun. The fabric's UV Protection Factor (UPF) is 50+, which is as high as the rating goes and more than three times as high as the minimum recommended by cancer groups.

A special yarn made from solution-dyed acrylic in which the pigment is added while the fiber still is in solution. With this method, the color permeates the fiber so it can't rub off or wash away. Stabilizers are also added in the same way to minimize the effects of the sun, to help the fabric maintain strength over time, and to inhibit rot.

Recasans Warranty

Marine grade solution dyed acrylic carries a ten-year limited manufacturer's warranty. The warranty protects against the loss of characteristics, rot, mildew, and color fastness typical in normal atmospheric conditions. The product must be properly installed and maintained and under normal use an environment.

The warranty does not cover damage caused by: abuse, negligence, vandalism, burns or fire of any kind, improper cleaning techniques, normal wear, perforations, weather soiling, environmental pollution stains, natural disasters, or acts of nature. Damage caused by the storage method or location used by clients is also not covered. The warranty, if applicable, does not cover labor, frames, systems and installation supplied by the dealer or reseller.

Umbrella Frame Warranty

National Outdoor Furniture warrants the frame structure of our commercial outdoor umbrellas for a period of one year from the original date of purchase. This warranty includes manufacturer's defects to the notch, runner, center pole and skeleton structure
